

Paw Prints 2024

A NOTE FROM THE MANAGER...

As I sit down to write this, all I can think about is how insane the numbers have been this year. The number of animals on our wait-list, the number of animals being dumped, the number at the top of our vet bills and at the bottom of our receipts. The only numbers that have gone down are the adoption numbers and that just breaks my heart. It is hard to see all of the good we do when there are so many homeless animals still out there that need our help. At the end of the day, however, I thank God that the animals in our care are safe and well taken care of and I know in my heart that we are doing our best. I also give praise for those of you who foster, adopt, spay/neuter and support our cause through volunteering as well as monetary donations. We would not be able to continue our mission without the love and support from our community and fellow animal lovers.

Thank you all SO much, Stacy Rule SCHS Manager & Newsletter Editor

Before & After

"Hard to Adopt" Animals Find Homes

SURRENDER DATE/AGE: November 9, 2021, 13 Wks Old

TIME AT SHELTER: 1 Year and 353 Days

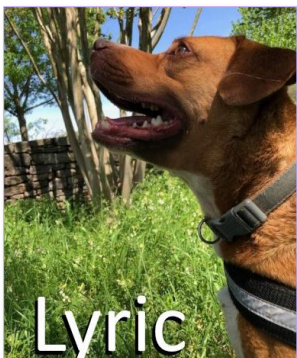

Georgia had a fear of strangers and that turned a lot of potential adopters away. Her large size attracted a woman who happened to have a big heart for shy dogs and knew Georgia just needed time to adjust. Miss Georgia was adopted 12 days before her 2-year anniversary of being in the shelter. She now lives in a wonderful home and she is living the best life!

SURRENDER DATE/AGE: July 1, 2021, 10 Months Old

TIME AT SHELTER: 1 Year and 335 Days

This sweet boy lived at the shelter for almost 2 years with no interest in him. He began having skin issues due to the stress of shelter life. After the pandemic, we opened our doors back up for volunteers to walk dogs. One of them decided to take Benji home and see if he would be a good fit with her and her dog Oreo. With our fingers crossed, we eagerly awaited a verdict. The happy day came when Benji's adoption papers were signed! He comes to visit us often and we are just delighted to see him so happy and his skin looks amazing!

SURRENDER DATE/AGE: June 14, 2021, 5 Years Old

TIME AT SHELTER: 1 Year and 344 Days

Lyric came to the shelter after being tied up on a chain and trained to be aggressive with other dogs. We had a hard time finding him a roommate at first. As time went on, Lyric began to realize that aggressive behavior was not rewarded, plus he was getting lonely. He became friendlier and started making friends. He also decided he enjoyed being a "softy" and getting affection from people became his favorite. Lyric's looks were still pretty intimidating to most people, however, so he was often overlooked. An older couple came in one day to look at a dog and saw Lyric being walked in the distance. They said he looked like a dog they used to have and wanted to meet him. The rest is history! They fell in love and Lyric found himself a forever home!
